Dear Friend,

The Ontario Conference Pathfinder Council (O.C.P.C.) operates under the Youth Ministries Department of the Seventh-day Adventist Church in Ontario with the purpose of providing age-specific programs for the youth within our church as well as those in the community.

For your information, the Pathfinder program is geared specifically to young people between the ages of 10 – 15 with an excellent curriculum that provides specialized skill development in a number of topics to prepare the youth to pursue their life’s goals. Topics include arts and crafts, aquatics, nature, household arts, recreational, spiritual development, health, and vocational training. These “honors” as they are called, often serve as a launching pad for hobbies and lifetime careers.

Undeniably, post- secondary education is a necessary requirement for success in today’s ever changing society. The cost to achieve this education, however, is ever increasing, and for many of our young people this cost is a roadblock that prevents them from acquiring a post-secondary education that will allow them to contribute effectively to the community. The O.C.P.C. is committed in preparing young people to be the best they can be, and so to this end, we have launched a scholarship program to assist eligible youth to finance their fulltime studies at a university or college of their choice.

This is a great undertaking, and we cannot do it alone. Thus, we are soliciting your help in partnering with us to make this worthwhile venture a viable reality for our youth. Your generous gift today will go a long way towards helping some young people become a valuable asset to society. Please make your cheque payable to **Ontario Conference of the Seventh-day Adventist Church** (with Memo: Pathfinder Scholarship). A tax deductible receipt will be sent to you at the end of the year in acknowledgment of your monetary donation.

We sincerely thank you for partnering with us and for your generous contribution. May God abundantly bless you with prosperity and good health as you continue to bless others with your gifts of love.

Sincerely,

Chester Lewis
Executive Coordinator, O.C.P.C.
